

10 YEARS OF PROJECT MANAGEMENT EXPERIENCE

Our team of certified PMs provides expert management, governance, predictability, and quality assurance, with just the right amount of communication—on time, and on budget.

Since 2010, our PM team has executed over

1,800

successful projects

On average, we manage

200

projects each year

We are engaged with over

60%

of AmLaw 100 firms

WE HAVE SIX DEDICATED PROJECT MANAGERS ON STAFF

Did you know?

OVER

70%

of firms employ project managers from **outside their organization**

OVER

50%

of organizations currently **do not have** a designated PMO/team

WHAT IS PMOaaS?

PMOaaS is Project Management Office as a Service.

Expert management for any project:

- Firm mergers
- Office moves and buildouts
- Data center selection and design
- Desktop upgrades and deployment
- Infrastructure and messaging upgrades

Our annual project management agreement costs **2x less** than hiring a full-time PM!

Project Management tailored to your firm's portfolio, goals, and success metrics.

- Ongoing governance and portfolio management
- Oversight of timelines, budgets, and resources
- Performance metrics
- Documentations of progress and tasks
- Project management training
- Selection and implementation of PM solutions
- Change management
- Meetings with project teams
