

**WHAT IT ISN'T**

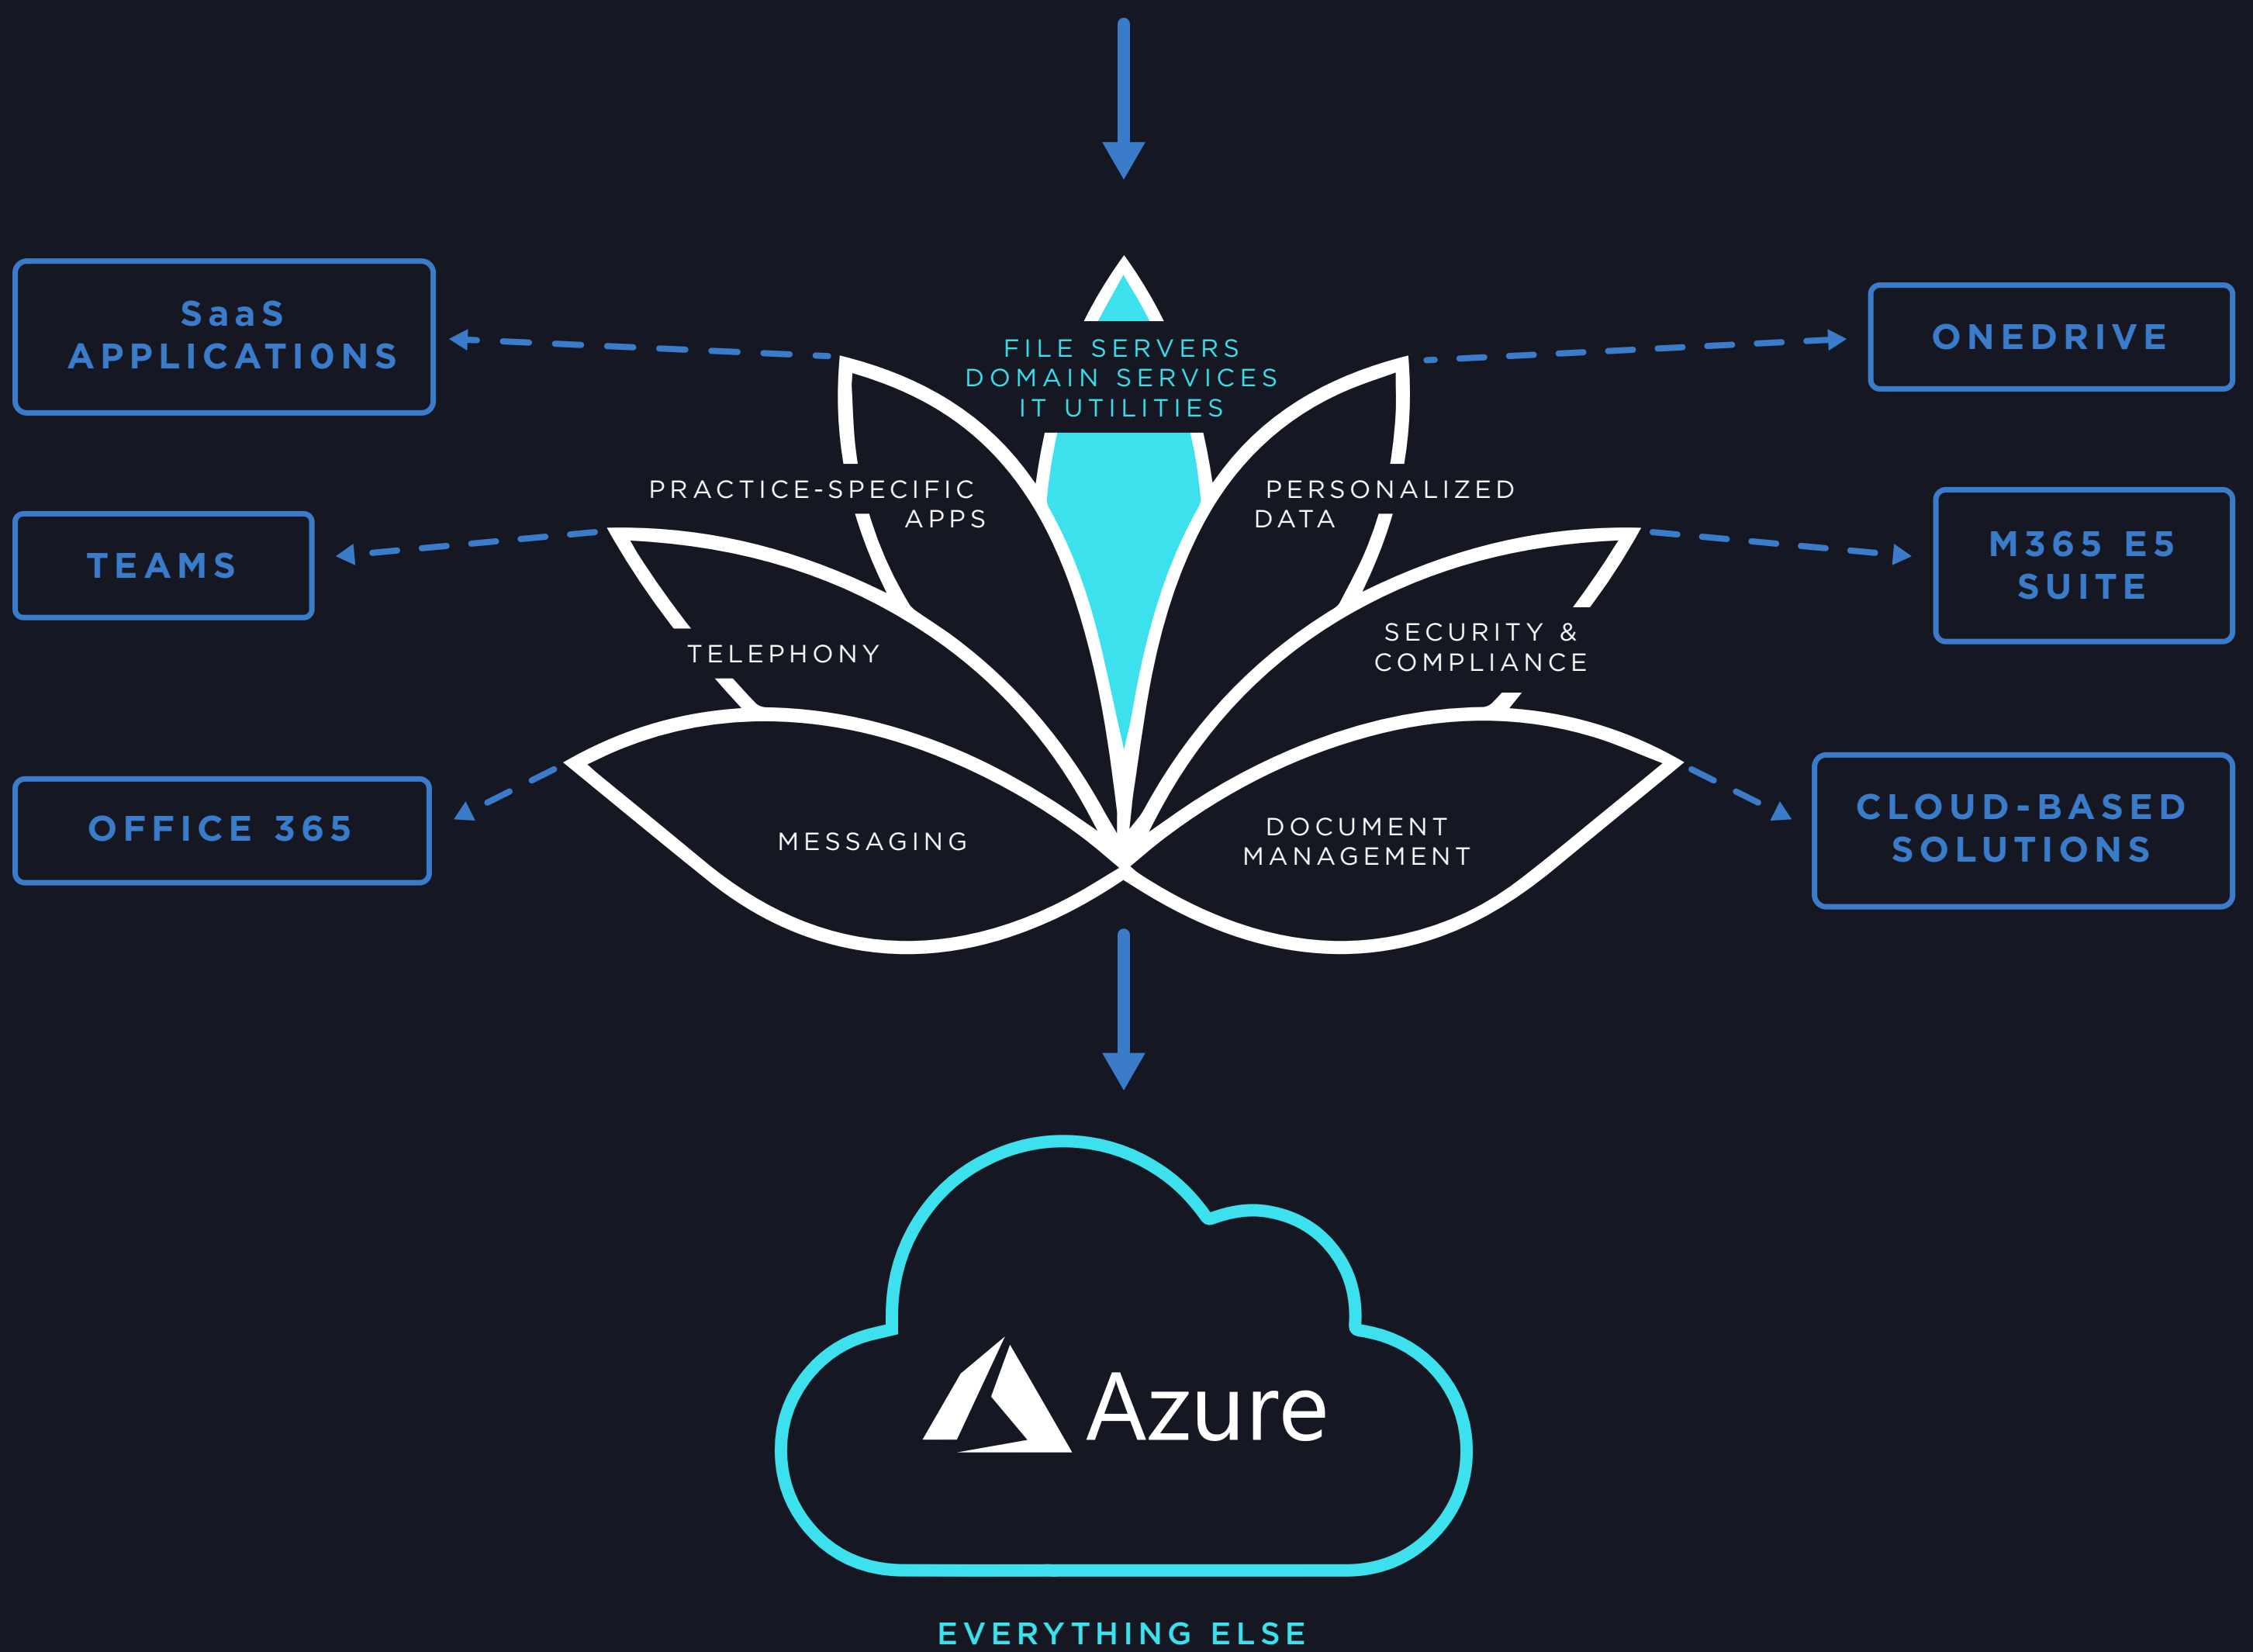

**WHAT IT IS**

Our team works with you to thoroughly examine and normalize your IT environment, understand your business goals, and form a **budget-focused** roadmap for transitioning workload components to **trusted, cost-effective** Software-as-a-Service (SaaS) and Infrastructure-as-a-Service (IaaS) solutions.

YOUR IT ENVIRONMENT

**HOW WE DO IT**

**Kraft Kennedy** **AZURE QUICK START**

- Consultation and IT evaluation
- Budgeting and cost analysis
- Planning and roadmapping
- SaaS provider selection
- Core Azure platform setup

**1-2 WEEKS**

**MIGRATION / DECOMMISSION**

- Migration planning
- Cloud infrastructure build
- Backup and recovery setup
- Data migration
- Legacy server decommissioning

**3-12 MONTHS\***

Having helped firms weather the transition through decades of IT innovation, cloud migrations are the next must-achieve evolution of the way firms work.

Our team's deep expertise in all things Microsoft, and our commitment to be vendor-agnostic allows Kraft Kennedy to recommend the most streamlined cloud migration roadmap for any law firm.

**WE BRING DEEP EXPERTISE IN:**

- |                        |                     |
|------------------------|---------------------|
| Microsoft Azure        | Microsoft licensing |
| Office 365 / Exchange  | Backup solutions    |
| Teams / Skype          | Disaster recovery   |
| MECM (SCCM)            | Data management     |
| Leading DMS platforms  | Legal-specific apps |
| Mobile Lawyer          | Cybersecurity       |
| Change management      | Compliance          |
| Scaled Agile Framework | SOC services        |
